Hi Anna,

Thank you so much for doing our flowers at our wedding. They were gorgeous!! Thank you for all the trouble you went to, to find the flowers I wanted (even though it was not possible). The flowers smelled and looked awesome!

Dear Anna

The flower arrangements that you created were arranged to perfection, enabling my dream wedding to not only come true, but to exceed all expectations. It was certainly a blessing to have a florist that's main objective was to please her bride. Thank you for all of your hard work. It was greatly appreciated.

All the best.

Dear Romantica Floral Design,

I can recommend Romantica for any event. I recently dealt with Anna from Romantica for my wedding and the service and quality far exceeded my expectations. Nothing was too hard and Anna was full of ideas. I could not have been happier with the outcome - bridal party bouquets, button holes, flower girls, cake flowers, centre pieces, reception venue styling and gratitude gift bunches - all were positively amazing and precisely as I'd imagined. Anna worked wonderfully with my cake person and reception venue which relieved pressure in those busy times. Even though Romantica is booked for weddings every weekend Anna was excited and motivated about my ideas which made the experience so enjoyable. I would recommend Romantica for all events small or large.

Dear Romantica Floral Design,

What else can I say? But the flowers made the day... Right from the start Anna knew just what I wanted and how to do it. Her ideas were unique and she made any idea that I had easily achievable. I showed her one picture and the rest was left in her amazingly capable hands. From the bouquets to the centre pieces everything had such a romantic touch. Anna's incredible gift of floral design is forever perfectly captured within our photos and most importantly our memories.

Thank-you, Jasmine and Andrew McCrohon
